

Using \$1 million from town savings to pay bills = PHONY tax relief.  
Stripping the local increase from schools eliminates all-day K funding.

## REJECT BUDGET #2

Do you have 3  
seconds to draw  
an arrow?

That is all it takes to  
stand together against  
repeating past mistakes  
and sacrificing long-term  
stability for short-term  
political gain and phony  
"tax relief." A vote for  
Budget 1 can spare all of  
us years of service cuts,  
new fees, and higher  
taxes to repair the  
damage.
